

Make a Chinese lantern

- Read the instructions.
- Make a Chinese lantern.

You need:

patterned paper
scissors
glue

1. Cut the paper into a rectangle and a strip.

2.

Fold the rectangle in half lengthwise.

3.

stop cutting 3cm from edge
Make cuts along the folded edge.

4.

Open out the paper.

5.

Bend the paper to make a cylinder.
Glue the edges.

6.

Glue on the strip of paper to make a handle.

- How well did you follow the instructions? Colour a face.

Very well

Quite well

Not very well

- Underline any part of the instructions which
 - you missed out in red
 - you did not understand in blue.

Teachers' note Provide patterned paper (such as gift wrapping paper) so that the children can follow the numbered instructions to make the Chinese lantern. Encourage them to evaluate the way in which they followed the instructions.
